Did you think your education was over?

If so, let us convince you otherwise. Luis Michael Training in conjunction with your club/employer and Sparsholt College have launched a brand new learning initiative offering young people the opportunity of an Apprenticeship in Sports Leadership.

The Apprenticeship is made up of several qualifications so not only do you gain an Apprenticeship Award at the end you also have a minimum of 5 individual qualifications. Studying for your Apprenticeship doesn't confine you to a classroom, in fact it is preferred if a large part of the course is fulfilled on the pitch or in the work place.

“This course is ideal for everybody involved with the game. I myself have recommended this NVQ to a number of people – all of whom found it informative and enjoyable.”

Ian Rush, former Liverpool and Wales Striker

Who can apply?

We are looking for candidates aged 16, 17 and 18, who are not in full time education. You can also be employed in a sports based environment (Leisure centre, Football, Cricket, Rugby club).

How long does it take to complete the course?

26 weeks, at the end of which everyone completing the course will be awarded an OCR-accredited certificate in recognition of their new qualification.

How to apply for the course

To apply you need to get in touch with us using one of the methods below:

Call us on: 02920 709929

Email: info@luismichael.co.uk

Website: www.luismichael.co.uk

Please Note

To enrol, you will need your National Insurance Number, your Date of Birth, an emergency contact and your full home address. We will also ask what previous qualifications you have, there is no minimum requirement, so if your answer is none then no worries.

If you are serious about sport and want our full support behind you whilst doing the Apprenticeship, call now.
